Parliamentary Security

- There are several layers of security for Parliament.
- At each layer, different types of tests are conducted.
- Delhi Police and the Parliamentary Security Service (PSS) were involved in the security of the parliament.
- Parliamentary Security Officers have been removed and all aspects of Parliament security have come under the hands of the Central Industrial Security Force.

Control room

- All the responsibilities of Talkatora Gate, Parliament Library Gate, Communication Control Room, Ticketing for both Lok Sabha and Rajya Sabha, reception rooms in Traffic Division, Lok Sabha and Rajya Sabha will be officially under the control of CISF.
